

HUCHO-HUCHO FISHING RULES FOR DISTRICT SAVA BOHINJKA - FISHING RESEARCH INSTITUTE OF SLOVENIA

- **Fishing season: 1.12.2008 – 14.2.2009**
- **Fishing district: Sava Bohinjka from the bridge at town Bohinjska Bistrica, downstream till the power station dam in Soteska.**
- **Fishing conditions: Minimum of two or more fishermen in a group, not distanced more than 80m. If a single person wants to fish, escort of a fishing control or guide is required.***
- **Fishing methods allowed: Fly fishing or spinning, all artificial baits.**
- **Minimum size of artificial lure or fly is 10cm!**
- **Single hooks are obligatory! Double or triple hooks are prohibited!**
- **All species different to Hucho-Hucho (Salmon Danube) must be released back unharmed.**
- **Fishing permit it self does not entitle you to loot Hucho-hucho. If holder of a fishing permit decides to do so, additional payment for the loot is required.**
- **Minimum size of looted Hucho-hucho must be 80cm!**
- **Taking of Hucho-Hucho must be immediately reported to a phone number found on a fishing permit. Until fish control doesn`t examine the loot, Hucho-Hucho must stay in one piece.**
- **Payment can be done to a fish controler on following price list:**

80-100cm	100,00 Eur
100+cm	150,00 Eur

- **Fishing permit can be purchased in Fauna Fly fishing store in Bled or in headquarters of the Institute in Ljubljana.**

*Ask Fauna Bled for more informations
